PLEASE BRING THIS CATALOG TO THE SALE

## The Announcement

It is seldom that a County Breeders' Association can present as valuable or as richly bred lot of cattle as are to be sold in this auction. Any student of Shorthorn breeding will be able to tell by looking through this catalog that the cattle to be sold are of the bloodlines that has done the most to improve the breed and to bring it up to its present high standing. Individually these Shorthorns are just as good as their pedigrees would indicate. No one who comes to this sale will be disappointed in the quality and character of the offering.

Now is the time to buy cattle. The rise in price of good breeding stock is already in evidence and the great shortage that was developed by the late drouth and other adverse conditions cannot be overcome in just one or two years. It will take several years to restock and during that time and for a long while thereafter breeding stock will be at a premium. There is an abundance of rough feed available and it is useful for just one purpose. That is to carry the herd through the winter season with the minimum expense. There is every reason to buy now.

The outlook for future trade and higher prices was never more favorable than now. And whether the market goes up or down there is no equipment that can be put upon a corn-belt farm that will make a greater or surer profit than a herd of good Shorthorn cattle.

The quality of cattle that are being sold in this sale is the quality to make the greatest return on the investment. It takes just as much room in the pasture or the barn, it requires just as much feed to maintain an inferior animal as it does a good one. The great difference is that the good one will return a profit on a good high valuation. The inferior one will cause you to lose money even though you get him for nothing.

The consignors and the sale manager invite you to attend this sale and to buy these cattle. We know they will prove profitable to you because they are of the profitable type, good quality, have all of the characteristics of good breeding animals and have the best and most popular pedigrees.

WILL JOHNSON, Sale Manager,  
3709 Sixth Ave., Sioux City, Iowa.

Auctioneer: J. E. Halsey, Des Moines, Iowa.

## General Information and Terms of the Sale

**LOCATION**—The sale will be held in the comfortable live stock sale pavilion in the city of Iowa City, Iowa, on Friday, November 22, 1935. Iowa City is well served by railroads and automobile highways. From there one may drive to all parts of Iowa and adjoining states without having to get off pavements.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE**—All cattle are sold subject to a sixty-day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the seller's herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

**PEDIGREE CERTIFICATES**—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

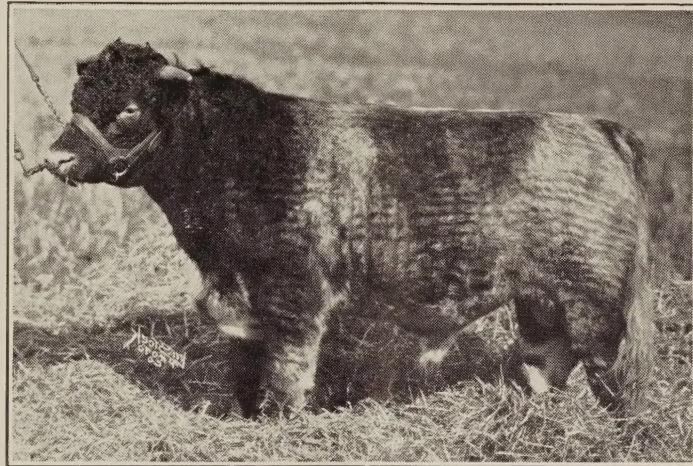

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

**BIDS**—Those wishing to buy who find it inconvenient to be present on sale day may leave with or send their bids to the sale manager, Will Johnson of the Shorthorn World, the auctioneer, J. E. Halsey of Wallaces' Farmer & Iowa Homestead, Frank Richards of the Corn-belt Dailies or to any of the consignors.

The rise in prices of pure bred cattle has come, but pure bred Shorthorns are still the cornbelt farmers best asset. Buy these choice breeding units before the price gets above that of a safe conservative investment. In a short time cattle such as these will be selling at double the prices of this sale. Buy NOW and be ready to sell THEN.

WILL JOHNSON, Sale Manager,  
3709 Sixth Avenue, Sioux City, Iowa.
